Since you first honored me by choosing me as your voice in the S. C. House, I have often used a questionnaire to ask your opinions on the critical issues facing our state. This has proven to be a valuable tool while working to accurately represent the wishes of our district.

This year, the survey is being dedicated to **finding ways to reform state government.**

Recent legislative battles have highlighted differences between Governor Sanford's reform agenda and those who oppose change. While progress has been made in some areas, we still have a long way to go to create the most efficient, effective state government possible.

As your Representative, **I am committed to doing my part to renew the faith** that many have lost in our state government. The people of South Carolina are good, hard-working and honest. Why should we settle for anything less from our government?

I will continue to work hard to make you proud, and to make sure your voice is heard at the State House. You can help **by taking the time to complete and return this brief survey. In doing so you are helping to guide my efforts to reform state government.**

As always, please feel free to contact me by mail, phone, or email if you have further comments on any subject facing the state legislature; or visit my website: www.nathansnews.com.

Also, I hope you'll join me at my Constituent Service Night on **Monday, Jan. 28th**, at 6:00pm at Gatsbees Soda Fountain, 7585 St. Andrews Road in Irmo, to discuss upcoming issues in person or look into any other concerns you might wish to share.

Thank you for your continued support.

After completing both sides of questionnaire, please fold along dotted line to mail. If you prefer, you may respond to this survey online at nathansnews.com
